Why Get Access?

Get ready to accelerate your productivity and elevate your potential. Our on-demand event packages are jam-packed with step-by-step lessons, training sessions, and expert opinions.

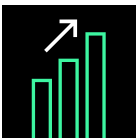

Keep up with the latest innovations in Excel

Improve your productivity, efficiency and time management skills by using the latest Excel add-ins, tools and software applications.

Enhance your productivity and efficiency

With innovative time-saving automations, analysis tools, and task trackers, Excel can revolutionize your workflow.

Find solutions to your data challenges

Give yourself the opportunity to learn how to solve problems in a timely fashion by learning from the best in the field.

Improve your Marketability

As someone with verified Excel skills, you can differentiate yourself amongst other candidates.

Access at any time. From anywhere.

Access our on-demand event packages from ANY device, on ANY browser, at ANY time, and from ANY part of the world.

Be kind to your budget

Get access to the event content for just a fraction of the full ticket price. Student and team discounts available.

Wondering how the live Summit went?

See what our 2022 attendees are saying:

David Stavegard · 14:09

They are soo good at handling the live demos!

Gráinne Duggan · 19:00

thanks for organizing such a spectacular event - so well run with fabulous sessions. The networking and Expo areas are good too Thank you so much!!!!!!

András Péter

RE

Rosa E. · 13:32

Lee Becker · 14:40

This is so full of useful stuff. I'm definitely going to have to re-watch this one!

CH

CH H · 17:29

The feature is terrific ... but the 'storytelling' is just as good!

RY

Roupen Yeremian · 17:13

I love the drill down in Pivot Table.

IQ

Ines Quadros · 18:02

wow!

TS

Tanya Stelly · 18:02

Wow.

TB

Tania Van Brabant · 18:02

Wow

PS

Prasoon Surendran · 16:04

Yes

Jennifer Buchholz · 16:04

YES!

VN

Vadim Nedoshivin · 16:04

Yes!

Kateryna Kovalova · 16:04

yes

Leila Gharani · 16:04

yes

PB

Pierre Bertram · 13:58

Love the Networking feature !!!

John Baker · 16:09

So glad I came to this session. Whole new league of dashboard presentation here 🙌

DT

Dulcelli Tomsjansen · 18:46

WAW!! I am impressed!

KD

Kevin Davies · 18:46

more, yes please

Gráinne Duggan · 13:32

Wow! I love the challenge chart - thanks

“

Thank you for an amazing conference. Everything was perfect - speakers, organisation in general, loved the networking feature of Hopin.

Mike Thomas,

Microsoft Trainer & Solution Developer: Excel, PowerBI & Office, UK
